Basis for Calculating Amounts Charged to Patients

Select Specialty Hospital Hampton Roads utilizes the lookback method to determine the “amounts generally billed” (AGB) to individuals who have insurance covering other Medically Necessary Care. The AGB percentage applicable as of 9/30/19 at our facility is 43.2% of billed charges.

The amount was determined based upon expected payments from Medicare (Traditional) for the previous year. Total expected payment from allowed claims was divided by total expected billed charges for such claims.
